149 Dear Sir - I see by

the papers that you propose
erecting a building for
meet this fall. I do, it is
almost a universal wish
that you should visit Pa-
chsonville, a city of ten tho-
usand inhabitants, and the
Athens of the West. I
will inform one of the
time of your visit, and
will observe your terms,
I will engage to make all
necessary arrangements and
to pay the bills. We have a
sufficient hall, and can
give you such a reception
as will gladden your heart.
The President of this
College will preside, and intro-
